Dear Sirs: Your letter of the 12th and catalogue received.

Will say, in regards you asking in what series of coins I am interested, that I collect U.S. and Col. and Foreign silver especially German States and Cities. But I rather would not apply for a selection, as I only can afford to buy a couple of Doll. worth at a time. So I think this will safe disappointment.

Should like very much if you would put my name down for your auction cat.

Respectfully yours
